

## TABLE OF CONTENT

WEEK 1 - Arch of Serenity

First encounter with form, balance, and collective rhythm

WEEK 2 - Shadow as a Material

Exploring light, projection, and the architecture of absence

WEEK 3 - Braiding Space

Gestures of tension, order, and assembly through thread

WEEK 4 - Chaleur secrète sous la nuit

Atmosphere, light and presence in temporary structures

WEEK 5 - Canopée lumineuse

Ruled surfaces, floating logic, and framed air

WEEK 6 - The Knot is a Decision

Constructing with precision and improvisation

WEEK 7 - Tension. Not Closure

Ropes, limits, and the poetics of open boundaries

WEEK 8 - Ilôt urbain

Site work at Place de la Riponne — inhabiting the city

WEEK 9 — Wood, the Hand, the Silence

Sensing matter through making - pine, tools, rhythm

WEEK 10 - Earth Pressed into Form

Rammed earth and the memory of construction

WEEK 11 - Mosaic / Fragments, Memory, Assembly

Plaster and wood maquette — from fracture to form

WEEK 12 - The Site, the Sweat, the Structure

Collective building, learning through the body

WEEK 13 - The Built Form / Still Breathing

Observations, presence and use of the final structure

WEEK 14 - From Model to Matter / When Reality Replies

Reflections on translation scale and resistance
