

JOURNAL N°7 – “Tension, not closure”

(Rope system to close the structure while keeping transparency)

“To stop movement without blocking vision—that is the art of soft resistance.”—thought of the day

MATERIAL

Rope: thick, twisted, visible
Wood posts: vertical limits
Knots: anchoring force in silence
Gaps: deliberate, readable
Eyes: what we protect and allow

TOOLS

Rope
Hooks
Hands
Braiding pattern
Anchoring rings

“Not every tool cuts. Some tie. Some suggest.”

GESTURE

Thread . Weave . Pull . Wrap . Knot . Observe . Hold tension.

REFLECTION

The rope doesn't block. It signals. It creates a field of awareness. It says: this space is here, but not to cross.
